School Name: COLFAX ELEMENTARY SCHOOL

School Code: 1774

District Name: Denver County 1

District Code: 0880

The No Child Left Behind Act (NCLB) of 2001, requires Colorado school districts to make a determination of Adequate Yearly Progress (AYP) for every school in their district. The districts calculates AYP for each school with a formula set by the Colorado Department of Education, which measures participation rates, math and reading performance, and graduation rate targets for the elementary, middle and high school levels. Additionally, schools are responsible for all subgroups of students (race/ethnicity, English Language Learners, Economically Disadvantaged students, and students with disabilities) if there are thirty or more students in the subgroup at a specific grade level. The following data shows school AYP results in comparison to the district and state results.
