**Proficiency by Demographic Subgroup**  
 Denver Public Schools - Planning, Assessment and Research

CSAP stands for Colorado Student Assessment Program. It is a test designed to measure student achievement in relationship to the Colorado Model Content Standards. These standards are expectations specifying what students should know at particular points in their education. As a result, CSAP provides a series of snapshots of student achievement in reading, writing, math, and science as they move through grades 3–10.

CSAP stands for Colorado Student Assessment Program. It is a test designed to measure student achievement in relationship to the Colorado Model Content Standards. These standards are expectations specifying what students should know at particular points in their education. As a result, CSAP provides a series of snapshots of student achievement in reading, writing, math, and science as they move through grades 3–10.

**Proficiency by Demographic Subgroup**  
 Denver Public Schools - Planning, Assessment and Research

CSAP stands for Colorado Student Assessment Program. It is a test designed to measure student achievement in relationship to the Colorado Model Content Standards. These standards are expectations specifying what students should know at particular points in their education. As a result, CSAP provides a series of snapshots of student achievement in reading, writing, math, and science as they move through grades 3–10.
